# GENERAL INFORMATION

## POLICIES

The Kankakee Community College (KCC) board of trustees has established the following procedures and requirements for the admission of international (non U.S. resident) students. This policy is established to meet the U.S. Department of Homeland Security (DHS) requirements and to provide a program with academic integrity at the college while also assuring that the students' out-of-the-classroom experiences are regulated and appropriate for an international experience.

The college's board of trustees encourages having students from foreign countries study at KCC and believes that local students also will benefit by having students from other countries in their classes, as well as in the extracurricular aspects of the college's programs. The exposure to various cultures, perspectives, and interpersonal relationships makes KCC a richer place for pursuing higher education.

## ACADEMIC CALENDAR

- Two 16-week semesters (Fall and Spring)
- Six-week and eight-week (condensed summer terms)

**Fall Semester** - late August through the middle of December

**Spring Semester** - early January through the middle of May

**Summer Term** (six-week) - late May through the end of June

**Summer Term** (eight-week) - early June through the end of July

- New students may only begin their studies at the college during a fall or spring semester.
- Transfer students from U.S. institutions may begin in any semester.
- The current academic calendar is linked below:

<http://www.kcc.edu/students/academics/Pages/academiccalendar.aspx>

## ADMISSIONS DEADLINES

- New students applying from abroad
  - **July 1** for fall semester
  - **Nov. 1** for spring semester.
- Transfer students (in F-1 status) currently attending U.S. institutions
  - **Aug. 1** for the fall semester
  - **Dec. 1** for the spring semester
  - **May 1** for summer term (eight-week session).
- Visitors with valid B1/B2 visa status\* and all other non-immigrant status applicants must contact the Admissions Office for the Admissions Form and change of status information.

**\*Please note that students who enter the U.S. on a visitor's visa will have to apply for a change of visa status after being accepted to the college.** This process can take several months, and students are not permitted to begin their studies until the change is approved. It is a good idea for prospective students to inform the consular officer of their intent to choose a school on the visit. It is advisable and usually takes less time to receive a student visa if students return to their home country and make a visa appointment with the U.S. embassy or consulate.

## ACCEPTANCE

***International applicants needing a Form I-20 will not be considered for acceptance until all required admissions documents are received in the Admission's Office. Once all documents have been received and approved, students will be issued a certificate for F-1 student status (Form I-20) along with their acceptance letter.***

## ELIGIBILITY AND REQUIREMENTS

### APPLICANT ELIGIBILITY

Applicants must

- Be at least 17 years of age
- Have completed the equivalent of a United States secondary school education (12 years of formal education) and have the appropriate diplomas ([see page 4](#)).
- Have demonstrated English proficiency in one of the following ways:
  - Have a minimum TOEFL (Test of English as a Foreign Language) scores of 520 (paper), 190 (computerized), or 68 (Internet) are required. Students from English-speaking countries may be exempt from the TOEFL.
  - Successful completion of English Composition I at an accredited U.S. college or university
  - (For applicants already in the United States) Take a placement test at KCC (ACCUPLACER) to determine their English language level.
    - To be accepted, students must receive scores on the placement test that, as a minimum, place them into our Preparatory II (or higher) level English courses.
    - In-country applicants must also complete the mathematics portion of the placement test to determine math placement. Students applying from their home countries will be required to take a placement test upon arrival to determine course placement levels.

### ***English as a Second Language (ESL)***

- KCC does not offer a U.S. government approved, accredited intensive ESL program.
- Students who need to improve their English skills before entering college should attend an accredited intensive English program prior to applying to KCC.
- Students may transfer from an ESL program in the United States into KCC after acquiring the necessary language proficiency.

## FINANCIAL CONSIDERATIONS

International students and their families or financial sponsor assume all responsibilities for student expenses. Required funding for one academic year (Fall and Spring Semesters):

- A minimum of **US \$29,500**.
- Additional funds required for optional summer courses

### Tuition

- The Out-of-State Tuition Rate effective Summer 2018 for international students (on F-1 visa) is **US \$746.08** per credit hour
- Additional fees may apply to specific areas of study (technology fees and laboratory fees).
- Minimum tuition and fees average about **US \$18,000** per academic year.
- In special circumstances, students with hosts residing in the college district may qualify for in-district tuition rates. The Board of Trustees reserves the right to change tuition and fees without notice.

### Books and supplies

Books and supplies for one year are estimated at an additional **US \$1200**.

### Academic scholarships

International students are allowed to apply for merit-based scholarships for their second year of study.

### Living expenses (Estimates)

- Housing and food **US \$6000 / year**
- Transportation & other living expenses for single students (no dependents) **US \$4300 / year**
- For each dependent living with student additional expenses **US \$5,920 / year**
- Health insurance (see below for details)
- Optional consideration: personal property insurance to reimburse students for loss or damage to electronics, textbooks, and personal items. It is suggested that property insurance be purchased in the United States.

### **Health Insurance**

International students are required to have health insurance. **Students must provide proof of insurance for each semester before registering for classes. Insurance must be pre-paid for the whole semester. Time-payment plans are not permitted.** Health insurance coverage is very important because of the high cost of health care in the United States and because **international students are not allowed to use public health services.**

- Health insurance may be purchased in the student's home country or in the United States.
- The cost--an average of **US \$700** per academic year (estimate)
  - Prices may range from about \$45 a month for "budget" policies to about \$85 a month for "select" policies (for college-age students)

(You may select a language to view the site.)
- **IMPORTANT: Read the insurance brochures carefully.**
  - It is important to compare more than the cost of the policy.
    - Examine the "Exclusions" (the illnesses and injuries that the policy will not pay for).
    - Compare the amounts you must pay for "deductibles," "co-insurance," office visits, hospital emergency room, and prescriptions.
  - Buying a better insurance plan can save many thousands of dollars in case of illness or injury. (Note: KCC does not have a Student Health Center.)

- Some KCC students have purchased health insurance from the company below:

- **College athletes must ensure that their insurance policy will cover intercollegiate athletic injuries. The Athletic Department will set requirements for minimum coverage, and athletes will be informed of those requirements. The policies below offer some coverage for athletic injuries. Consult the Athletic Department for recommendations.**

## ATHLETES

KCC offers the following sports: basketball, volleyball, baseball, softball and soccer. Only head coaches from the different sports may recruit an international student to play for their teams. Please go to <http://www.kcc.edu/athletics/Pages/default.aspx> for more information about the teams and the head coaches. Division I & II coaches may offer a tuition waiver for their athletes, though it is not guaranteed.

## REQUIRED FINANCIAL DOCUMENTATION

Submit the following documents with the Admissions Form:

- **Financial Verification / Sponsor's Affidavit of Support**
  - The affidavit pledges that the support will be continuous for the duration of the student's studies. Original Financial Affidavits of Support with authentic signatures must be hand-stamped or sealed by a bank official or an individual authorized to certify documents and submitted to KCC with proof of financial support. Students must submit an Affidavit of Support signed by the owner of each account.
- **Proof of financial support: Original** (paper) **bank statement** or **original** certified letter on official bank letterhead as evidence of sufficient funds to support the student's studies in the U.S. All bank documents must
  - Indicate funds in **U.S. dollars**
  - Be written in **English**
  - Be current within six months of the intended beginning semester.

## NOTES:

1. **Financial support may come from personal accounts, private scholarships, sponsoring agencies, the student's family, or any dependable source.**
2. The U.S. Embassy or Consulate will also need an **original** bank statement. Be sure to obtain **two original** statements from the bank. Send one to KCC and keep one to submit to the U.S. Embassy when applying for a student visa. **Financial documents should also be carried in hand luggage when entering the U.S.**

### **Payment of the application fee and tuition**

- KCC accepts payment in U.S. currency, personal check from a U.S bank, certified check from a foreign bank, Visa, MasterCard, or Discover credit cards.
- ***If you are paying by credit card, be sure to notify your credit card company that you are making a charge in the United States.***

### Application fee

The application fee (\$250 new students / \$65 for current F-1 students transferring within the United States) may be mailed with the application packet, or payment may be made by credit card. **For students outside the United States**, it is recommended that payment be made through PayPal. **Have payments sent to the following PayPal account:** [paypal@kcc.edu](mailto:paypal@kcc.edu) and email receipt of payment to KCC's designated school official, Laura Gardner at [lgardner@kcc.edu](mailto:lgardner@kcc.edu).

If you require additional information about payment, please contact:

**Beth Nunley (KCC Accounting Office)** 815-802-8142 [bnunley@kcc.edu](mailto:bnunley@kcc.edu)

### Tuition and fees

- Tuition and fees are due a few weeks before the beginning of each semester if students enroll in classes during early registration ("Pre-registration") periods.
- During regular registration, close to the beginning of a semester/term, payment is due at the time of enrollment.
- The KCC "FACTS" payment plan that allows students to spread the tuition payments over the months of the semester for a US \$25 fee.
  - It is recommended that students establish a U.S. bank account, especially if they will use the FACTS payment plan.
- Students are responsible for knowing their government's policy about sending money to the U.S.

## **REQUIRED ACADEMIC RECORDS**

All official academic records from each secondary school and college/university attended should be submitted. Academic records must include an explanation of the grading or marking system. **Credentials in a language other than English must be accompanied by a certified English translation; both the foreign and the English language versions are required.** Please notify the Admissions Office if official documents cannot be submitted for any reason.

## **EVALUATION OF EDUCATION CREDENTIALS / TRANSFER CREDITS**

### **Secondary schools**

Proof of graduation from a secondary school, high school transcripts, and a copy of the results of any terminal or qualifying examination taken or certificates obtained should be submitted to KCC. ***Note: After acceptance, students must also submit these credentials to an evaluation agency in the U.S. to certify equivalency to a U.S. high school education. Students should do this before departing their home countries. Individual students will be notified if they must have their transcripts evaluated before acceptance to the college. (See evaluation information, page 6.)***

### **Colleges / Universities**

**If you wish to transfer college/university credit to KCC:** After arrival, a "Request for Evaluation of Transfer Credit Form" must be submitted to the Admissions Office. Transfer credit equivalency will be determined after all transcripts are received.

To receive credit from a previously attended U.S. institution of higher education, the institution must be accredited by one of the regional accrediting agencies recognized by the U.S. Department of Education. As a general rule, in order to receive transfer credit, the course must be a credit-bearing college-level course with a minimum grade of 2.0, based on a 4.0 scale.

**All transcripts from outside of the United States must be evaluated by a private evaluation agency at the student's expense.** (If the transcript is in a language other than English, it must also be translated.) KCC will only accept evaluations from agencies affiliated with the National Association of Credential Evaluation Services (NACES) for out-of-country institutions. **Request that an original evaluation document be sent to KCC directly from the evaluation agency.** A list of member agencies can be found at [www.naces.org/members.htm](http://www.naces.org/members.htm). Agencies that KCC evaluators are familiar with are:

## VISA INFORMATION AND SEVIS FEE

### Prospective International Students Outside the United States

For an overview of the process of coming to the U.S. to study, consult the following U.S. government website:

<http://www.ice.gov/sevis/students/>

At KCC, to be considered for the Form I-20, completed International Student Admissions forms and all other required documents must be received in the Admissions Office prior to the admissions deadline.

- After receiving the Form I-20 from KCC, the student must schedule an interview with a U.S. consular office to apply for the F-1 student visa. **Check the U.S. Embassy website in your country for the procedures to follow. Students will be required to pay a fee to the U.S. Department of State for the visa appointment.**
- Students must carefully review their Form I-20 immediately after receiving it. If the student has a passport, the information in the passport should match the information on the Form I-20.
  - If the student does not have a passport, he or she should ensure his or her passport application has the same name as that on the Form I-20.

- If the I-20 information is wrong, the student should ask for a replacement form with corrected information.
- Students should review student visa information at the U.S. Department of State website at [http://travel.state.gov/visa/temp/types/types\\_1268.html](http://travel.state.gov/visa/temp/types/types_1268.html)
- **The Department of Homeland Security (DHS) requires a fee payment for SEVIS** (a database that stores student information) **before** going to the U.S. Embassy for the student visa. The fee can be paid on-line using a credit card or by Western Union by filling out the Form I-901. For additional information about paying the fee, go to the following websites:
  - Information about paying the fee : <http://studyinthestates.dhs.gov/students/sevis-i-901-fee>
  - Video tutorial: <http://studyinthestates.dhs.gov/2013/10/i-901-sevis-fee-payment-tutorial>
  - The form can be found at [www.FMJfee.com](http://www.FMJfee.com).
- Prospective students who have paid their required I-901 SEVIS fee can access [FMJfee.com](http://www.fmjfee.com) on their mobile devices. While users still need the printed receipt for their I-901 SEVIS fee payment, they can conveniently check the status of their I-901 SEVIS fee payment. The mobile-friendly site will provide users news and updates regarding the I-901 SEVIS fee, as well as answers to I-901 SEVIS fee frequently asked questions. To access the site, enter the URL into your mobile device: [www.fmjfee.com](http://www.fmjfee.com).
- **The student must bring his/her passport, I-20, KCC acceptance letter, proof of the I-901 SEVIS fee payment, all original documents of financial support, evidence of intent to return to the home country upon completion of the program, and a photo for the visa, if it is granted.**
- When applying for the F-1 visa at the embassy, students should be aware that they are applying for **temporary** stays in the United States. **They MUST NOT state that they wish to remain in the United States, and they must document their intent to return to their last country of residence after their studies are complete.**
- **Students must assume responsibility for the accuracy of their records and check their travel and admission papers when they are issued.** Correcting mistakes immediately is quicker and cheaper than delaying, and it prevents confusion. By accepting the conditions of their visa from the U.S. government, students have made legal commitments and need accurate records to verify their compliance.
- At the embassy or consulate, the signed I-20 will be taken and placed in a sealed envelope. Do not open this envelope. The envelope will be opened by the border inspector upon arrival in the United States.

#### Current F-1 Students Enrolled in Another U.S. Institution

International students with F-1 status who are transferring to KCC from another U.S. high school, college or university must submit the **KCC Transfer Authorization** form to the current school and submit forms and documentation to the Admissions Office at KCC. **Contact with KCC must be made at least 30 days prior to the beginning of the semester.** A temporary I-20 may be issued by KCC to indicate that a transfer is pending. The final I-20 showing that the transfer is complete will not be issued until all required admissions documents have been received and the student has registered in classes at KCC.

## MAINTAINING VISA STATUS

### **Work Restrictions under F-1 visa**

- Students with an F-1 visa may work “on campus” up to 20 hours a week without prior approval from the government. Students are not permitted to work more than 20 hours a week “on campus,” except during the summer.
- Students **cannot** work “off campus,” without receiving authorization from a Designated School Official (DSO) and the U.S. Citizen and Immigration Services (USCIS).
  - Unauthorized employment is considered a violation of status and could result in deportation.
  - *Note: Due to the current economy, it has been difficult to find on-campus employment for international students. We encourage you to be prepared to support yourself with family or sponsorship funds during your stay at KCC.*

### **Maintaining eligibility**

- International students are required to **maintain a minimum full-time academic load of 12 semester hours** of passing credit for each fall and spring semester. They are not allowed to withdraw from classes if it would result in a part-time load, and they must inform a Designated School Official (DSO) of any change in enrollment. If the student has a problem with a class resulting from initial difficulties with the English language (during the first semester only) or a serious health problem, the student **MUST** consult with a DSO to see if they qualify for an exception to the regulation.
- International students are required to **obtain a DSO’s signature of approval for registration every semester** of enrollment at KCC.
- International students must **maintain a 2.0 grade point average (GPA)** on a 4-point scale to remain in good academic standing.
- International students must **inform the DSO of any change in major**.
- International students must **inform the DSO of any change of address within 10 days of making the change**. Any violation may result in suspension and the revocation of the F-1 student visa.
- International students must **submit forms to the Internal Revenue Service (IRS) each year**, even if they do not have employment.

It is the policy of KCC that **new students should plan to arrive on campus one week prior to the beginning of classes**. This will allow students time for orientation, placement testing, and course scheduling. F-1 visas allow students to enter the U.S. 30 days before the program start date.

**NOTE: If students plan to book round-trip travel arrangements, be careful to consult the college academic calendar to determine the end date of final exams:**

<http://www.kcc.edu/students/academics/Pages/academiccalendar.aspx>

**Students should also book flights early for best prices. Students are expected to be on campus until after their last scheduled exam. Students should check with their professors early in the semester for exam dates, if they wish to depart the earliest possible. Professors are unlikely to permit students to have exams on alternate dates. The current final exam schedule is at the following link: <http://www.kcc.edu/students/academics/Pages/finalexamschedule.aspx>**  
**Returning students are also expected to arrive in time for their first day of classes. Professors may require students to drop their courses if they arrive late.**

## Eligible Degree Programs for International Students

This chart shows programs of study available at KCC. It includes associate degree programs for those planning to transfer to a university to pursue four-year bachelor's degrees (A.A., A.S., A.E.S., and A.F.A.) and occupational programs for more immediate entry into the workforce (A.A.S. and A.G.S.). # PREPARING TO ENTER THE UNITED STATES

## PREPARATIONS

- **Hand-carry all immigration documents and keep them in a secure location.** You will need to present the documents to the immigration officer at the port-of-entry. You will not be able to get your checked luggage before arrival processing. If you do not have your documents available, it will delay processing and may result in denial of entry into the United States.
- **Do not carry large amounts of cash.** It is a good idea to have a debit card (VISA or MasterCard) or traveler's cheques in U.S. dollars to access or transport your funds. Automatic Teller Machines (ATMs) are readily available for cash withdrawals. Usually, there is a small fee for using an ATM. If you carry currency from your own country, you will also pay a fee for currency exchange.
- **What is the Form I-94, and why is it important?**
  - The Form I-94 is your Arrival/Departure Record. The Form I-94 is a critical document. It shows that you have been legally admitted to the United States, the class of admission, and the authorized period of stay.
  - It is very important that the information on the form is correct. This information is entered into a system that shows arrival and departure information.
  - Inconsistencies between the information on the Form I-94 and SEVIS records can cause problems when different government systems interact. For example, if a student applies for a Social Security number to work on campus, discrepancies can cause issues with immigration status verification.  
*(Additional information about the Form I-94 and how to print the document from the internet is in the "Arriving" section on page 13.)*

## ARRIVING

### **Arrival in the U.S. (from a student perspective)**

We want your arrival in the United States to go as smoothly as possible. Please review the information on the U.S. government website below for information about what to expect at the port of entry.

<http://studyinthestates.dhs.gov/2013/04/here-to-help-what-to-expect-at-a-port-of-entry-with-a-us-customs-and-border-protection-officer>

### **Form I-94**

- When you enter the United States, an electronic Form I-94 record is created. You will receive a stamp in your passport that indicates your date of entry, your visa classification (F-1), and the date you must leave the U.S. As an F-1 student, your departure date will be indicated as “D/S”—for “Duration of Status.” That means that you are authorized to remain in the United States as long as you follow the rules to maintain your student status. More information about the I-94 and how to print a copy (if you need it for a specific purpose) is at the following websites:

[http://studyinthestates.dhs.gov/student-forms?form=Form\\_I-94](http://studyinthestates.dhs.gov/student-forms?form=Form_I-94)

<https://i94.cbp.dhs.gov/i94/#/home>

If you cannot locate your I-94 number online, go to this web page:

[https://help.cbp.gov/app/answers/detail/a\\_id/1696/kw/help%20with%20finding%20I-94](https://help.cbp.gov/app/answers/detail/a_id/1696/kw/help%20with%20finding%20I-94)

- If you entered the United States before May 2013, you received **the departure portion of CBP Form I-94** from the immigration officer. You must keep the Form I-94 **and your passport in your possession at all times until you depart the United States.** It is your responsibility to ensure that your I-94/I-94W is turned in to Customs and Border Protection (CBP) at the end of your visit to the United States. You may also turn the form in to an airline agent, if the CPB does not collect it.

### **Problems at the Port-of-Entry**

- If you should encounter problems at the port-of-entry, the immigration officer should call the Kankakee Community College campus at the numbers below. During the day, they will be able to connect the call to a KCC Designated School Official, either Laura Gardner or David Hermann. After business hours, campus security will be able to contact one of the DSOs for a return call.

- **Form 515-A**

“As an F or M student, if you arrive at a U.S. port of entry and do not have all your signed required documents, have not paid the I-901 SEVIS Fee on your current Form I-20, “Certificate of Eligibility for Nonimmigrant Student Status,” or have a Student and Exchange Visitor Information System (SEVIS) status issue, the U.S. Customs and Border Protection (CBP) officer may deny your entry into the United States. **As an alternative, the officer has discretion to issue you a Form I-515A. This document allows you to have temporary admission into the United States for 30 days. To maintain your nonimmigrant student status, you must address your Form I-515A within the time provided to you.**” (Emphasis added.)

This means that you have 30 days to submit the proper documentation to the U.S. Government. **When you arrive on campus, tell the Designated School Official (DSO) at the college that you have received the Form I-515-A.** The DSO will advise you on meeting the requirements.

- “The Student and Exchange Visitor Program (SEVP) will send “Intent to Terminate” notices to students and exchange visitors and their dependents who have failed to comply with the Form I-515A directive by the specified deadline. Recipients of the “Intent to Terminate” notices will have 14 days, as of the date the letter is sent, to respond to the Form I-515A. Failure to comply will result in the termination of their SEVIS record. Courses you took at another college or university that pertain to your program of study may count toward your degree. To determine if these courses are eligible, submit a [transcript evaluation request](#) to KCC's Admissions and Registration Office in addition to a course-by-course evaluation conducted by the private evaluation agency. It is recommended that you request an evaluation of your transcripts by an evaluation agency prior to registering for courses at KCC. Registering prior to the completion of the official evaluation may have financial aid and course implications.

**Please note:** Completing an evaluation does not guarantee transfer of college credit to Kankakee Community College.

### **Maintaining Legal F-1 Status** (For complete information, please read page 3 of your I-20.)

1. **Passport & Visa:** You must always keep your passport and immigration status valid.
2. **Travel:**
  - You must see a **Designated School Official (DSO) before leaving the United States.**
  - A DSO must sign your Form I-20 before you leave the United States. This signature is valid for one full year, but it must also be valid 6 months beyond the date you plan to re-enter the U.S.
3. **Work:**
  - Students with F-1 status, may work “on campus” in part-time positions. Part-time is considered 20 hours or less per week.
  - You are not allowed to work “off campus” unless you have permission from a DSO and the U.S. Citizen and Immigration Services (USCIS).
4. **Enrollment:** You must register for at least 12 credit hours for both fall and spring semesters.
5. **Address Change:** You must **notify a KCC DSO in writing of any change of address within 10 days.**  
*\*Note: The DSO will notify the Department of Homeland Security (DHS) through the SEVIS system. This will satisfy your legal obligation to notify DHS of your address change.*
6. **Change of major:** You must **notify a KCC DSO of a change of major** within 10 days, so that a new I-20 can be issued

### **KCC Policies**

1. **Attendance:** You are expected to regularly attend your KCC courses. Instructors have the right to reduce your grade by one letter if your absences exceed how many credits the course is worth. For instance, if you're taking ENGL 1613, which is worth 3 credits (refer to the last digit of course number), and you're earning an A and miss class more than 3 times, the instructor can reduce your grade to a B. If you know you're going to miss class, notify the instructor. Permission to make up work because of excused absences is at the instructor's discretion.
2. **Grades:** You must maintain at least a 2.0 (“C” or 70%) Grade Point Average (on a 4.0 scale) or higher.
3. **Tuition:** The tuition and fees are assessed at the “out-of-state” rate. Some students may receive the in-district tuition rate under special circumstances by submitting proof of “live-in-guest” status. If your guest status should change or you move outside of our district boundaries, KCC may assess the out-of-state charge until the proper documentation is received to re-apply for the in-district rate.
4. **Health insurance:** You must have health insurance and show proof of insurance, pre-paid in full, for each semester before registration.
5. **“Hold” on Registration:** An academic hold will be posted on your record each semester, and you must see a DSO to take off the hold before you can register for classes.
6. **Course Schedules and Changes:** The international student academic advisor or the DSO will approve your courses and any schedule changes each semester. Athletes must also have the approval of their courses and any schedule changes from their coach. This ensures compliance with NJCAA regulations. If you have questions or concerns about a course, talk to the international academic advisor and DSO immediately.

7. **Travel:** You must check-in with the international student advisor/designated school official prior to and after returning from travel. Upon return, submit your most recent I-94. Check-in is required during the first week of every term.
8. **Financial Aid/Scholarships:** No Financial Aid is available from KCC, but students may be eligible for some merit-based scholarships after one year.
9. **Campus Regulations:** You must abide by the Code of Campus Affairs and Regulations as stated in the current college catalog.
