No fees may be charged for the first 50 pages of black and white, letter or legal sized copies. All costs for copying materials will be charged to the requestor at the rate of six (6) cents per letter size sheet, seven (7) cents per legal size sheet, and ten (10) cents per 11" x 17" sheet. If the college provides copies in color or in a size other than letter or legal, the college can charge the actual cost for reproducing the records. Electronic Fees

College must produce records that are maintained in an electronic format in the electronic format specified by the requester, if feasible. If not feasible, college must disclose in the electronic format in which the records are maintained or in paper, at the option of the requester.
